IT TAKES MORE  
THAN A GREAT  
CHURCH TO REACH  
A CITY; IT TAKES A

## INTRODUCING

## REVITALISE CANADA

### CITY TO CITY AUSTRALIA

City to City Australia (CTCA) exists to help leaders build gospel movements throughout Australia, New Zealand, and the world, in all contexts, across different demographics. The vision of CTCA is to join with God to see people worshipping Jesus Christ as Lord so that God will renew them spiritually, socially and culturally to the glory of God the Father.

CTCA is a resource for church planting and renewal of churches. Our purpose is to catalyse new church plants and strengthen existing churches through revitalisation. The focus is to train, equip, build and partner with ministers, lay leaders and churches.
